

Why learn a second language at an early age?

“Learning a second language at an early age a positive effect on intellectual growth, enriches and enhances a child's mental development. Leaves students with more flexibility in thinking, greater sensitivity to language, and a better ear for listening ...”

- American Council on Teaching of Foreign Language

Why Learn Chinese Mandarin?

Mandarin is the most spoken language in the world (1 in 6 people speak it worldwide) and currently the second most prevalent language of business, after English. “As China booms, so does Mandarin in U.S. Schools”

- USA Today

Covington Mandarin Program has the following features:

A convenient after-school program

Enjoyable student-focused teaching approach

Students learn applicable "daily life" conversation

Multi-media based teaching

Web-accessible curriculum

Midterm progress report & end of year presentation

Constant parent-teacher feedback via emails and website

Level I:

Designed for students who have no or little prior knowledge of the Chinese language.

Level II:

Designed for students who completed Level I or have equivalent knowledge of Chinese language. New students of Level II will be evaluated before program starts.

Open enrollment is once a year in Fall. For more information please visit [www.oneworldlearning.org](http://www.oneworldlearning.org)
