

KEPLER'S AUTHOR SHOWCASE

Andy Griffiths

COVINGTON ELEMENTARY SCHOOL

April 16, 2015 1:00 PM– 2:00 PM

In their third installment of the Treehouse series, Andy and Terry are once again inviting readers to come hang out with them in their astonishing 39-story treehouse. (It used to be 13 stories, then 26 stories, but they keep expanding.)

This year, they will have even more time to jump on the world's highest trampoline, toast marshmallows in an active volcano, swim in the chocolate waterfall, pet baby dinosaurs, and go head-to-trunk with the Trunkinator, all because Terry has created the greatest invention that he — or anyone else — has ever invented. It is a once-upon-a-time machine that will write and illustrate their entire book for them!

What are you waiting for? Come on up!
